Photography and Media Consent Form

v1.0, September 2, 2026

Forms part of the Photography and Media Policy adopted by the board of directors on September 20, 2026 (resolution R-2026-06).

MJ Boxing Inc., operating as Moose Jaw Boxing
1-69 Highland Road, Moose Jaw, SK S6J 1M5

One form per athlete. Please read both sides of this page, then check your choices and sign at the bottom.

Why we take photos

Photos and video are part of club life. Kids love seeing themselves land a clean jab, and pictures of real training help us show parents, funders, and the community what the club does. With your permission, we may use images of your athlete in four places:

- The club website
- The club Facebook page
- Printed materials, like posters and flyers
- Reports to funders and grant programs

What we never do

These rules apply whether you sign this form or not:

- We never publish your athlete's full name. Captions use a first name at most, and we never pair any name with a school, home address, or weekly schedule.
- No cameras in change areas or at weigh-ins, ever.
- We never tag a minor's personal account on social media.
- Club photos are published through club accounts only, never through anyone's personal page.

Your choice, always

Signing this form is completely optional. Saying no, or saying nothing, never affects your athlete's place at the club, their coaching, or how they are treated. Not now, not ever.

You can withdraw your consent at any time by telling us in writing. We will stop using your athlete's images and remove published images from the website and our social media accounts where reasonably possible. Printed materials that have already been distributed cannot be recalled, but they will not be reprinted.

This consent stays in effect until you withdraw it or your athlete leaves the club.
